SUMMARY

Frontend-focused Software Developer skilled in MERN Stack, React.js, and full-stack web development with strong problem-solving abilities (500+ DSA problems solved). Experienced in building scalable web applications, REST APIs, authentication systems, and real-time collaborative platforms.

EDUCATION

National Institute of Technology Hamirpur 2023 – 2027
Bachelor of Technology in Electrical Engineering, Himachal Pradesh, India

SKILLS

Languages	C++, C, JavaScript, TypeScript, Python
MERN Stack	HTML, CSS, React.js, Tailwind CSS, Framer Motion, Node.js, Express.js, Firebase
Databases	MongoDB, MySQL, SQL
Tools	Git, GitHub, VS Code, Vercel, Render, Firebase Hosting
CS Fundamentals	DSA, OOPs, OS, DBMS, Computer Networks

PROJECTS

HealthHer — Women Wellness Platform (Live) *MERN Stack, React.js, JWT, MongoDB*

- Developed a full-stack women wellness platform using MERN Stack with JWT-based authentication
- Built RESTful APIs for user management, mood tracking, and period tracking features
- Integrated anonymous chat support and MongoDB for secure real-time data storage

Flipkart Clone — E-Commerce Platform (Live) *MERN Stack, JWT, Express.js*

- Built a full-stack e-commerce web application with secure authentication and session handling
- Developed product listing, cart, order management, and search/filter functionality

Studia — Productivity Platform (Live) *React.js*

- Developed a real-time collaborative study platform using React, Node.js, and Socket.io to synchronize active study rooms and group Pomodoro timers across concurrent users.
- Implemented custom JWT authentication with SMTP email verification alongside a browser-native deep focus lockdown mode utilizing HTML5 visibility, fullscreen, and Web Audio APIs.

Personal Portfolio Website (Live) *React.js, Tailwind CSS*

- Designed and developed a responsive portfolio website with reusable React components
- Optimized UI performance and implemented smooth user interactions using Tailwind CSS

CERTIFICATIONS & ACHIEVEMENTS

- AWS Cloud Technical Essentials – Amazon Web Services (Coursera) (Certificate)
- Architecting Solutions on AWS – Amazon Web Services (Coursera) (Certificate)
- Foundations of User Experience (UX) Design – Google Coursera (Certificate)
- Star Mentee Awardee 2025–26 – Foundation For Excellence (FFE) (Certificate)
- LeetCode: Solved 600+ DSA problems | Rating: 1580
- FFE Scholar
- CodeChef: 1729 rating (Div 2) (Profile)

POSITION OF RESPONSIBILITY

- Convener of Hindi Samiti at NIT Hamirpur; organized and managed literary and cultural events
